

THE SHERBORNE'S ART EXHIBITION - REPORT

Pat Burt and Lindsay Berry would like to thank all the invited artists, caring caterers, spontaneous viewers and discerning purchasers who made our exhibition at the Village Hall during the weekend of 22 & 23 April so successful. All our participating artists sold something which was gratifying and many gave freely to the Silent Auction. We were supported by kind sponsors, Bob Berry Fencing, The Swan Public House and The Frame Gallery at Odiham.

The Village Hall Management Committee did a grand job of serving the lunches and refreshments throughout the weekend and swelled the funds for the Village Hall. The donations of cakes, soup and various delectable edibles from our artists were greatly appreciated.

As well as showcasing much of the artistic talent of the locals we were able to donate £948 to our chosen charity this year, Sebastian's Action Trust based at Bluebells, North Waltham and who are "Here for families of seriously-ill children. Always." sebastiansactiontrust.org

Many thanks from the organisers: www.lindsayjberry.com and www.pattyburt.co.uk

Here is a selection of photos from the exhibition:
